If you enjoy the convenience of having a library close to home, then help us keep **your** local library open and operating.

Since we are an association library, **not a branch of the county library**, the Association trustees have the responsibility of raising 100% of our library's operating costs.

- ✓ 66% of our operating costs are donated by Holland and Alexandria townships.
- ✓ 15% comes from book fines, special gifts, and fundraisers.
- ✓ The remaining 19% comes from membership contributions.

We appreciate your support in the past, and we are appealing to you once again for your support. Please consider making a contribution to your library and becoming a member of the Association by using the form below. Thank you for helping to keep your local library open and operating.

Sincerely,

Holland-Alexandria Free Public Library Trustees
